Ganesh Puja
Invoke blessings

The ceremony starts with a prayer invoking Lord Ganesh, whose divine grace removes any obstacles and promotes a successful and peaceful completion of the ceremony.

Kanya Daana
The ultimate gift

Mangalya Dharanam
Tie the sacred knots

Mangal Pheras
Circle the sacred fire

A Hindu wedding is full of meaningful rituals and traditions. There are several parts to the ceremony, each of which has symbolic, philosophical and spiritual significance.

The Hindu wedding ceremony not only joins the souls of Shalini and Ankit but also creates a strong bond between two families.

The wedding ceremonies will incorporate a mix of traditions of both Telugu and Gujarati weddings and will be performed in Sanskrit, the traditional language of ancient Indian Vedic scriptures, with explanations in English.
